PROFILE

Computer Science undergrad (BE CSE, 2027) and full-stack developer Strong in data structures, algorithms, and end-to-end product development from concept to implementation. Passionate about workflow design, and building impactful digital products in collaborative environments.

EDUCATION

Chitkara University Institute of Engineering & Technology, Punjab
Bachelor of Engineering in Computer Science | CGPA: 9.04 | 2023 – 2027

Gobindgarh Public School, Mandi Gobindgarh
12th Grade – Non-Medical | Percentage: 77.25% | 2021 – 2022

Gobindgarh Public School, Mandi Gobindgarh
10th Grade | Percentage: 88.6% | 2019 – 2020

ACHIEVEMENTS

- Presented on Edge Systems & IoT: Defending Against Network Attacks.
- Completed Cybersecurity Essentials (Cisco Networking Academy).
- Recognized by Dr. Ashok K. Chitkara in Discrete Mathematics class.
- Selected as Web Development Intern at SkillCraft Technology.

SKILLS

Programming Languages: Java, JavaScript

Computer Science Fundamentals: Data Structures, Algorithms, SE, OS, DBMS, CN

Cloud & DevOps: AWS (EC2, S3, Lambda), Git & GitHub

Frontend: HTML, CSS, React, Next.js

Backend: Node.js, Express.js, REST APIs

Database Management: MySQL, MongoDB

TECHNICAL PROJECTS

Brewed Awakenings Coffee Shop Website

Developed a visually appealing and well-structured website for Brewed Awakenings Coffee Shop.

Technologies used: HTML, CSS. **Live:** <https://lnkd.in/d6YDqjbx>

Single Page Application for Midsized Company

Developed a SPA featuring two dashboards (Admin and Employee) to streamline day-to-day tasks and boost productivity. Login Credentials: **Admin-** Username: manager, Password: manager123, **Employee-** Username: employee, Password: employee123

Elara Regency

A modern hotel management web application that allows users to book rooms, view available facilities . It features authentication, and dynamic pages for hotel services and locations

Technologies used : Express, EJS, MongoDB,Node.js **Live:** [Render - Application loading](#)

Portfolio

A personal portfolio showcasing my web development projects, skills, and experience It highlights interactive web apps , responsive designs , and modern technologies elegantly

Technologies used: Three JS, React, Tailwind CSS **Live:**

EXPERIENCE

IEEE Student Discipline Team - **Member** (03/2024-08/2024)

Supported event management by ensuring discipline and smooth execution during IEEE activities and gatherings.

Coding Ninjas CUIET - **Event Executive** (11/2023 – 03/2024)

Coordinated events and activities, fostering a collaborative learning environment within the coding community.
